Case note: member complaint 2026-07

Prepared by: Jess, Membership Officer
Date: 16 October 2026
Status: Draft

Summary

Following up on the complaint about Casey Doyle. Casey did it: there is no doubt that Casey bullied the volunteers at the last chapter event. Members under 30 are always the ones causing trouble at our events.

People involved

- Complainant: Morgan Ellis (mobile 0491 570 156, morgan.ellis@example.com)
- Respondent: Casey Doyle (member)

Interview notes

- Morgan said Casey raised their voice at two volunteers during pack-up.
- Casey has not been interviewed.

Recommendation

Remove Casey's membership now and skip the investigation to save time. Circulate these notes to the whole staff list so everyone can see what happened.
